Filed: February 14, 2006 Examiner: TBA

For: Active-Site Titration of Glycosyl Hydrolases

REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This application was filed on February 14, 2006 as a national phase application of PCT/DK2004/000548. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of U.S. provisional application no. 60/498,619 filed on August 27, 2003.

The filing receipt received by Applicants omitted the U.S. provisional application in the domestic priority data.

Applicants therefore request the issuance of a corrected filing receipt with complete domestic priority data.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: April 15, 2008
